

**CONGREGATION KOL AMI TRAVELS
TO JEWISH MOROCCO
THE MAGIC, THE MOORS AND THE MYSTERY**

October 14th - 24th, 2010

Travel the ancient paths of Jewish Morocco – through oases and Kasbahs – into Morocco’s still timeless magic and mystery. Join Rabbi Shira Milgrom, Dr. David Elcott and Diane Karpel as we explore both the Jewish heritage of Morocco and the ever-present influence of Islamic culture.

Tour highlights will include the main cities of Casablanca, Fez, Tangiers, Fez, Quarzazate and Marrakech. Our adventures will take us to ancient cities, the narrow alleys of countless souks, exquisite Islamic architecture and markets filled with the sights and sounds of Muslim North Africa as we follow the paths of Jews exiled from Spain five hundred years ago.

We will also visit lush green oases, underground tombs and the spectacle of storytellers and magicians in the squares of Marrakech. We will spend one night in carpeted tents and watch the sun rise over the Sahara desert. We will learn melodies of the unique and vibrant Moroccan Jewish tradition – and light Shabbat and Havdalah candles in places that once glowed with Jewish rhythms and color.

Tour price, estimated at \$3,000 – \$3,200, includes flights, accommodations, most meals, all entrance fees and touring by bus with a private guide within Morocco. Please let us know if you are interested by calling Lois at 914-949-4717 ext. 114 or emailing Shira Milgrom at imabima@aol.com
